

Camp in a Box

Sponsored by Alton Parks and Recreation
www.alton.nh.gov

Because the summer of 2020 will be slightly different this year with concerns of COVID, new guidelines on Summer Camps, and other unknowns- *ALTON REC* is providing a new and fun program for ages 7+up delivered right to your door. You will learn and try new things, play and create, and laugh a lot.

What is Camp in a Box?

Indoor and Outdoor themed activities, arts and crafts, physical activities, games to play, and much more. Program runs July 13-31.

Campers receive a Box delivered directly to their door each Monday with lists of activities, crafts, projects to make and games to play. The Box will hold activities that you can do each day of the week or however you'd like to spread out the fun. Because it is "camping" participants will receive a special camp item each week such as a camping lantern, compact sleeping bag and camping craft kit. Campers 7-9 years may need parental assistance with some of the activities. Monday deliveries are July 13, 20 and 27.

Register by June 26- Alton Resident- \$150; Non-Resident-\$175
Register after June 26- Alton Resident- \$165; Non-Resident-\$190
Registration ends June 30. Space is limited.

Please use registration form attached.

Please provide a contact email address and let us know if you prefer a special delivery or to pick up your box on Mondays at the PR office after 10am.
