

MISSION STATEMENT

To enhance the quality of life in the Town of Alton, while preserving its rural character and New England atmosphere. We will protect life and property, maintain order, enforce the laws, and provide a safe environment for the growing community. This is accomplished by developing police community partnerships and encouraging the citizens to take an active role in establishing a safe place to live. The police and community are accountable to each other. The Alton Police Department recognizes that Alton is home to many and a vacation destination to even more. This means that we must identify and embrace the diverse and ever-changing cultural differences, while treating everyone with honesty, respect, and dignity. The Alton Police Department has a "customer service" approach to public safety that is firm, fair and consistent while adhering to the highest ethical standards. We will maintain this philosophy through continued professionalism, education, and training.
