Public Session I:

YTD: 19 Total- 9 Full burials and 10 cremations

The Trustee's discussed the advertisement for a Cemetery Laborer and what paper they wanted to post it and the dates it should be run. It was decided that the ad would run twice a week in The Laconia Daily Sun and once a week in the Baysider.

The Trustee's decreased the length of employment a month so the new position will be from April 15th to Oct 15th.

Sheri will write up the ad and make sure it gets to the newspaper.

We will be accepting ads until February 11th, 2015 and the Trustee's will review the applications at the next meeting which is scheduled for February 17th. Interviews will be scheduled for Tuesday February 24th.

Bonnie inquired about the report that needs to be written for the Town Report. Sheri asked what they would like done differently this year and informed the Trustee's that she would take care of the report and email it to them for their approval.

Meeting adjourned 2:35pm

Next meeting February 17, 2014 @ 1:00pm

Respectfully Submitted,

Sheri York
