Present were the following: Bonnie Burgess, Chairman, Germaine Glidden, and Sheri York.

Bonnie Burgess opened the meeting at 1:10pm.

YTD: No burials; There are 2 bodies in the vault

The Trustees reviewed the minutes from the 4/28/15 meeting. Germaine made a motion to accept the minutes as read without change, Bonnie seconded the motion.

Germaine made a motion to ask Dave St. Cyr for the balance of the columbarium of \$17,132.50 (Seventeen thousand, one hundred thirty dollars and fifty cents). Bonnie seconded the motion. Sheri will get the check processed for final payment.

A discussion of John and Austin being allowed to wear appropriated shorts (longer Bermuda style) took place and Germaine made a motion to allow the employees to wear shorts and Bonnie seconded the motion.

The Trustee's discussed pricing for the niches of the new columbarium. Each Niche will sell for \$800.00 dollars for 1 person with opening and closing costs included and \$1000.00 for 2 people with opening and closing costs included. The engraving of the nameplate will be a separate cost to the Monument Company of their choice. Each niche is 12" X 12" and must be explained to people that only a certain size urn will fit into the niche. Both trustees's agreed that this was a fair price to charge.

Bonnie stated that the Boy Scouts will be placing the flags on the Veteran's graves on Tuesday May 16<sup>th</sup> at 6:30 p.m.

Bonnie expressed that she feels we should be keeping the original copies of the Right to Inters, not the copies.

Bonnie would like to have a couple of stumps taken out at Old Riverside Cemetery with a stump grinder.

Bonnie said that Carl Peaslee from Peaslee's Funeral Home would like to stop giving us copies of the Death Certificate because there is certain information on it that is not needed by the Cemetery Department. We would still like to get a copy of it and Peaslee's can redact any information that we should not be seeing.

The West Alton Cemeteries old gate has been stored at New Riverside Cemetery because of RSA 289:14-A

Next meetings will be Wednesday May 26<sup>th</sup> at 1:00pm at the New Riverside Garage.

Meeting adjourned 2:46pm

Respectfully Submitted,

Sheri York
