Applicant: _____ **Date:** _____

Building Official: _____ **Date:** _____

Construction site: _____ Tax Map # _____ Lot # _____
(Street name)

Is Property in a Special Flood Hazard Area Yes ☐ No ☐

Subdivision Approval: _____ **Lot #** _____ **Size (Acres)** _____

Proposed Use:

☐ Garage/Barn
☐ Shed
☐ Deck/ Covered porch
☐ Boathouse
☐ Dock
☐ Other

Estimated cost of all construction \$ _____

Commercial:

Site Plan Approval _____ / _____
Case# Date

PART IV: SPECIFICS OF STRUCTURE

Principal type of framing:

- ☐ Wood
- ☐ ICF/Reinforced concrete/ Masonry
- ☐ Post & beam
- ☐ Structural steel
- ☐ Other _____

Heating:

- ☐ Gas
- ☐ Oil
- ☐ Electric
- ☐ Geothermal
- ☐ Wood
- ☐ Solar
- ☐ Other _____

Type of sewage disposal:

- ☐ Private
- ☐ Public/Community
- State approval # _____

Existing system approved for _____ bedrooms

Proposed System Approved for _____ bedrooms

State permits: if required

Shoreland # _____

Wetlands # _____

Water supply:

- ☐ Private well
- ☐ Lake
- ☐ Community well
- ☐ Municipal

Dimensions:

Number of stories _____

_____ Width X _____ Length

Total square feet of floor area, all floors,
based on exterior dimensions _____

Total acreage of lot _____

Residential Buildings:

Number of bedrooms _____

Number of bathrooms

1/2 _____

Full _____

Remodeling:

Total sq ft of area to be affected _____

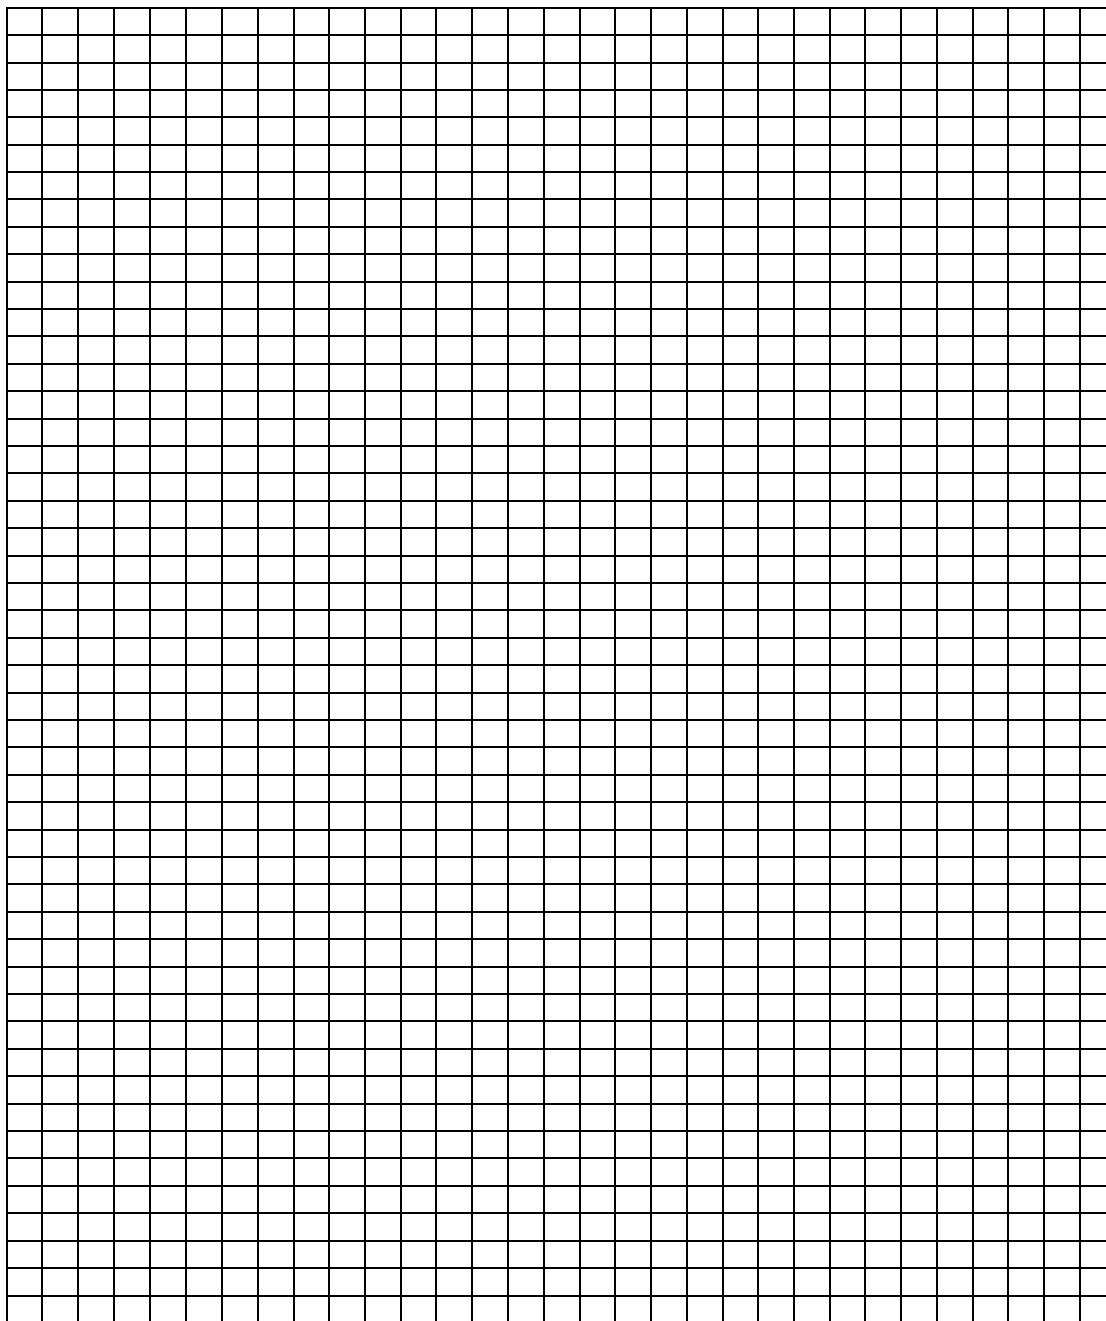

Narrative: MUST BE FILLED OUT!

Describe your project: (Example – build a 12 x 24 deck at side of house, using pressure treated lumber and composite decking. Will be using concrete sonotubes for foundation.)

Plot Plan: Please show the following,

- Boundaries of lot with dimensions.
- Distances of all existing & proposed structures to all property lines.
Front set back is 25 feet to Right of Way line or Property line, whichever is closest. (All Roads)
- Campgrounds/Mobile Home Parks: Show distances to nearest structures, parks lot lines and abutting roads.
- Dimensions and Height of existing and proposed structures.
- Distances to bodies of water and wetlands.
- Location of Septic Systems, Wells, Utilities and Culverts, Ditches, etc.
- Existing driveway(s) – Location of new driveway (if moving or adding).
- Location of on-site or abutting cemeteries or burial sites.

*** All Dimensions in feet (does not have to be to scale). If not enough space below, use a separate sheet and attach to application.**

For office use only.
