**What is be demolished?**

---

---

**Permit will not be issued until the following document has been signed and received from the property owner or their agent.**

NHDES Asbestos Demolition/Renovation Notification Form (NHDES-A-01-016)

A completed Demolition/Renovation Notification Form must be provided to the Asbestos Program and the town where the demolition or asbestos abatement activity will occur at least 10 working days before the start of demolition or asbestos abatement activities. Notification to the Asbestos Program is not required for any asbestos abatement projects that are not more than 10 linear feet, 25 square feet or 3 cubic feet.

Work area shall be stabilized to prevent debris from impacting neighborhood. Caution tape will be used to prevent unauthorized access to the demolition site. The site shall be cleaned up immediately.

*I agree to comply with all local, state, and national codes relative to the demolition and disposal of all hazardous material, and to provide documentation of proper disposal by a certified abatement contractor.*

*I further certify that I will hold the Town of Alton harmless and indemnify the Town of Alton from any claims arising out of the demolition.*
