The Gilman Library Trustees are reviewing quotes from electricians who are interested in completing the electrical work required for the installation of the library elevator and to determine when we may be able to begin the process of installation. More discussion will follow.

Due to the fact that our current computer technician person, Tim Avery from Avery Computers, has moved out of the area and has increased the hourly rate that he was originally charging the library, the Gilman Library Trustees will consider hiring another computer technician. Holly will explore the possibility of hiring the same computer technician that is currently servicing the network system at the Alton Town Hall. More discussion will follow.

The Gilman Library Trustees plan to meet one week from today, February 23, 2005 to prepare for the Annual Town Meeting.

The next Gilman Library Trustees Meeting is scheduled to take place on Tuesday, March 15, 2004.

Meeting adjourned 5:00 PM.

Respectfully submitted,

Holly Brown
Librarian
