Meeting Minutes

1:00pm  
New Riverside Cemetery Garage

---

Present were the following: Bonnie Burgess, Chairman, Germaine Glidden, and Sheri York.

Bonnie Burgess opened the meeting at 1:00 pm.

YTD: 23 Total Burials - 6 Full and 17 Cremations (1 was a Columbarium Burial)

Sheri gave Mr. Dingles paperwork and check to John for the purchase of a lot at New Riverside Cemetery.

Sheri informed the Trustee's that a young man came into the Town Hall and needed to do 50 hours of community service. The Trustee's were interested and wanted him to start as soon as possible, Mon - Fri from 7am to 2pm.

Aaron is still interested in doing overtime and wanted to know if the Trustee's still needed him for leave removal on Fridays and he is available on Saturdays. The trustee's decided that they would use him on Friday October 30th and Saturday October 31<sup>st</sup> and the reassess the situation the following week after John's doctor's appointment, as John may be cleared for 100% and able to work overtime him self.

John informed the Trustee's that he is ruining his jeans working on the columbarium; the Trustee's decided to allow John to get 2 pair of jeans at Wal-Mart.

Bonnie suggested that we add the columbarium to the rules and regulations of the cemeteries and that the Columbarium would fall under all the same rules with the exception of; Once a niche is purchased their will be no buy backs. Germaine agreed.

Meeting adjourned at 2:35 pm

Next meeting will be on Tuesday October 10, 2015 @ 1:00 at the New  
Riverside Cemetery garage.

Respectfully Submitted,
