Motion by T. Hoopes for case P06-42 that the Planning Board does not feel they have enough information at this time to make a decision and would like to see a study that would illustrate the effectiveness of a network of telecommunication facilities in accordance with the town of Alton's new ordinance with all possible locations to be considered and to be at the expense of the town of Alton. Second by J. Crouse. Discussion. James Bureau asked for the motion to be read again. (T. Hoopes read the motion one more time). No further discussion. Vote unanimous.

J. Crouse recused herself for the following case.
