(Approved - October 14, 2025)

Chairman N. Buonopane convened the meeting at 9:55 am

The following staff members were present:

N. Buonopane, Chairman
Paul LaRochelle, Vice-Chairman
Andrew Morse, Selectman
Richard Shea, Selectman *(via telephone)*
Drew Carter, Selectmen *(via telephone)*
Ryan Heath, Town Administrator

R. Heath stated the reason that this meeting is not in compliance with the 24-hour deadline for posting a meeting per RSA 91a is that this is a time sensitive matter. He received an email last night from Tighe and Bond with an application that had a deadline of today, September 25, 2025.

This application is a funding opportunity for 100% funding for the replacement of the Bay Hill water tank. This is through the Drinking Water Construction Project Assistance Program from the New Hampshire Drinking Water & Groundwater Trust Fund.

N. Buonopane made a motion to submit the funding application to the Drinking Water and Groundwater Trust Fund for the water system improvement project and authorizing R. Heath, Town Administrator to execute any documents which may be necessary to complete the application and P. LaRochelle seconded with all in favor of the motion.

A. Morse made a motion to adjourn at 9:59 am and P. LaRochelle seconded with all in favor of the motion.

Respectfully Submitted,

Stacy L. Bailey
